

COVID-19 Response

Throughout The Organization

Stay home if you are sick and avoid close contact with people who are sick.

Avoid touching your eyes, nose and mouth with unwashed hands.

Limit person-to-person contact and practice social distancing (6 feet minimum).

Wash your hands often with soap and water for at least 20 seconds.

Avoid taking breaks in groups.

Cover your mouth and nose when you cough or sneeze.

Clean frequently touched objects and workstations.

In The Office

- Maintain social distance between workstations and incorporate plexiglass panels between desks.
- Prohibit the shared use of small rooms and convert them to single-occupant use only.
- Required sanitization and disinfecting practices in all high usage areas including printer, café, etc.

In The Field

- Work with our clients and safety managers to ensure logistic plans address their safety requirements.
- Mandatory screening of all individuals that enter worksite and provide disinfection after each shift.
- Contact the office if any worker is non-compliant with our COVID-19 Business Precaution Plan.
